## Today's Market Reports

THOROUGH LIQUIDATION  
IN WALL STREET

(By Leased Wire to Evening Herald.)

New York, March 10.—Although the market exhibited weakness at various points during the morning its general action convinced the bulls that it had been thoroughly liquidated.

Despite successive bear raids on Lehman, Valley, Chesapeake &amp; Ohio, and Sugar, all of which fell sharply, buying orders came in steadily, giving the impression that the orders were taken on stocks under cover of foreign sellers elsewhere.

European buying in Steel and railroad shares indicated the statement of foreign liquidation, which has been a depressing influence for some time.

The advance of various speculations continued. The spectacular rise of United States Express was carried further, the price touching 86¢, compared with 54 a fortnight ago.

Bonds were steady.

The market made some additional advance as a result of the large increase in United States Steel, more favorable figures and the heavy over-subscription to the Third Avenue bond issue.

Chesapeake &amp; Ohio rallied briskly on official assurances that current earnings were at the rate of 7 per cent annually.

The market closed strong. The general list became stronger, a number of stocks rising a point or two.

The more important stocks closed as follows:

Amalgamated, 74¢.

Sugar, 100¢.

Atchison, 96¢.

Reading, 14¢.

Southern Pacific, 84¢.

Union Pacific, 157¢.

Steel, 64¢.

Steel preferred, 189¢.

CHICAGO GRAIN AND  
PROVISION MARKET

Chicago, March 10.—Wheat surged today owing to bearish cables and to weather auspicious for the domestic winter crop. Prices opened 3¢ higher and showed out little sign of any power to rally. The close was strong, 3¢ ½¢ above last night.

Fine weather and lower cables had a weakening effect on corn. Opening figures, which varied from 3¢ ½¢ off to a shade advance, were followed by a reaction but the market again turned easy. The close was strong at 3¢ ½¢ to 3¢ ¾¢ not advance.

Sellers rushed to unload oats. Demand, however, was slow, the large reserves on farms still seeming to exert a decided influence.

First sales of provisions ranged from last night's level to 1½¢ lower, and later was inclined to bring around the bottom figures.

Closing prices:

Wheat—May, 25¢ ¼¢; July, 88¢ ¼¢.

Corn—May, 66¢ ¼¢; July, 66¢ ¼¢.

Oats—May, 39¢ ¼¢; July, 39¢ ¼¢.

Lard—May, \$19.72 ¼¢; July, \$19.90.

VETERANS MEET IN  
THIRTY-FIRST  
ENCAMPMENTRAPID THINNING OF THE RANKS  
ATTESTED BY SMALL ATTENDANCE  
AT OPENING SESSION.COMMANDER GARDNER  
TO SPEAK TONIGHT

With National Commander Washington Gardner in attendance, the thirty-first annual encampment of the New Mexico G. A. R. opened in new Odd Fellows hall today. Little business was done at the first session this morning, and what there was of it was mainly of a routine nature.

The thinning of the G. A. R. ranks was markedly attested by the slim attendance. Although only three of the ten posts in the state were unrepresented at the encampment, the delegations from out of town were no large. Hinton, Aztec and Tularosa were the three posts unrepresented. Most of those present were naturally members of G. K. Warren post, of this city, who are the encampment hosts.

GLASS OF SALTS  
CLEANS KIDNEYS

Your back hurts or bladder bothers you, drink lots of water.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 800 grains of acid and waste so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will set fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; can not injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

The session adjourned at noon and the veterans had lunch as the guests of the Women's Relief Corps. The banquet hall was hung with hunting and flags, and the long tables, with snowy linen and cut flowers, presented a most attractive aspect. A cushion at each plate served as luncheon favors.

Reports from the officers are expected to be the chief business of the afternoon. When the session adjourns this evening the veterans will be the guests of John A. Logan Circle, Ladies of the G. A. R., at supper in the banquet hall. The committee in charge of the supper will be Mrs. H. E. Stewart, chairman; Mrs. M. W. Mulligan, Mrs. Mary A. Hegney; Mrs. Mary Hall is president of the circle.
